Information Packet #2

Once a Month Team Connect & Prayer

Thursday 7-9PM, Sunday 8:30AM Practice

Practices are mandatory to play on Sunday morning (at Worship leader's discretion)

- Be on time
- Tuned and set up***BEFORE practice time is set to start (In other words, please arrive before 8:30)
- Worship leaders are at church 15 min early to make sure everyone has time to set up
- Don't goof off between songs, conversations are fine if they stop when leader starts
- Practice transitions, and write notes for any special intros or considerations on a song (learn your part)
- Make sure you learn new songs during personal practice, NOT at rehearsal. Listen to links on Planning Centre
